

Avast Premium Security (Multi-Device)

Our most powerful, comprehensive protection for all your devices

Windows

The world's largest threat-detection network, cloud-based artificial intelligence, and light-speed behavioral analysis put our Windows antivirus above all others.

Mac

Our custom-built Mac security blocks malware, malicious websites, and unsafe email attachments in real-time, and even warns of threats to your home network.

iPhone and iPad

Our iOS app packs a VPN for secure Wi-Fi browsing anywhere, an encrypted vault for unlimited private photos, and Identity Guard to detect leaked passwords and protect your identity.

Android phone and tablet

Our feature-packed Android app includes anti-malware protection, a VPN for secure Wi-Fi browsing anywhere, remote anti-theft controls, and so much more.

At home or on the go, we've got you covered
