

Avast Ultimate (Multi-Device)

The ultimate protection, privacy, and performance bundle for Windows, Mac, Android, and iOS

Ultimate protection

At home or on the go, you're protected by the world's largest threat-detection network and real-time scanning to keep your devices free of viruses, ransomware, spyware, and other threats.

Ultimate privacy

Hide your online activities from hackers, snoops, and your internet service provider. Secure your private documents. And prevent peeping Toms from using your PC webcam to spy on you.

Ultimate performance

Speed up and revive your devices in minutes. Remove junk files to free up disk space, track down hidden duplicate files, tidy up your photo galleries, and help boost your battery life.

Ultimate convenience

Get the very best of Avast in an easy, all-in-one package. A single subscription protects your devices and keeps them running as smoothly as the day you bought them.

Treat yourself to the best

Avast Ultimate (Multi-Device) contains our absolute best security, privacy, and performance apps for Windows, Mac, Android, and iOS. You get:
